David,  
See Betsaida's statement below. I've sent it to two reporters this morning.

Pls provide him with this.

We're actively reviewing the situation in Dimock and filling information gaps. We're evaluating next step including sampling some of the residences' well water. We have not made a decision to provide water at this time. As soon as we have more we will announce it.

Just got a phone call from Jon Meyer, a reporter for WNEP-TV in Scranton. He's asking about the status of things in Dimock. Please advise how to handle. Thnx  
His email is jon.meyer@wnep.com Tel: 570-575-5306
